Debit card charges

A small number of ATM providers may charge a transaction fee but they should tell you about this on-screen before you commit to any transaction (see table above). Barclays will charge you for using your debit card for sterling “automated entries”** in the UK, Isle of Man or Channel Islands, depending on where your account is held, as per fees stated on the “Current account fees and charges” section.

If you use your debit card abroad or make a debit card payment in a foreign currency (either abroad or in the UK, Isle of Man or the Channel Islands, depending on where your account is)

We will charge you a 2.75 per cent Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website. (The Non-Sterling Transaction Fee was previously referred to as “commission” and “foreign exchange charge”).

Visa converts transactions into sterling using the Visa Exchange Rate on the day it processes the transaction. This date may be different to the day on which the transaction took place. Historic exchange rate information is available at www.visaeurope.com

When using your debit card abroad some merchant terminals or ATMs may offer you the choice of paying for your transaction in sterling. If you choose to pay in sterling the 2.75 per cent Non-Sterling Transaction Fee will not apply, but you should always try to find out what the merchant or ATM provider’s commission charges are and what exchange rate they are using, as overall it may be more expensive to pay in sterling.

* Some branches may require advance notice if you request cash over the counter which is above your daily cash machine withdrawal limit.

** Automated entries are defined as Automated Standing Order Debits, Automated Direct Debits, Switch Auto Debits, Internet Bill Payment Debits, Internet 3rd Party Debits, Debit Card ATM Cash.

Politically Exposed Persons account charge	From £5,000 per annum

[§] A one-off fee when a corporate account is opened. This fee will be for the corporate name only and not per account opened.

^{||} The total account charge per annum will depend on a client's unique profile. On rare occasions, we may also need to apply a fee for enhanced investigative work. Your Relationship Manager will notify you of the account charges before they are applied. The charge will apply at the relationship level only and not per account.

[^] The proposition fee is charged per annum and is charged annually in arrears. In the event that a client has not been on-boarded for the full charging period, the proposition fee will be charged pro rata and will be calculated on a daily basis. Any clients who have held accounts with us for less than 30 days at the end of the annual charging period will not be charged the fee. The fee will apply at an entity/account holder level and not per account. Therefore, if a client holds multiple accounts with Barclays, we will only apply the fee once and not to each of their accounts. The fee will be charged to the selected Nominated Bank Account. It will be debited annually and approximately 14 days after a notification statement has been sent out to your correspondence address.

Overdrafts, and other related charges

Overdrafts

If you require a new overdraft or increase in your existing facility, even for a short period of time, please contact us in advance to discuss your requirements. The rate of interest charged on an agreed borrowing will always be lower than the rate charged for an unauthorised borrowing.

Each overdraft application is considered on an individual basis. If you have agreed your overdraft with us in advance you will only pay interest at the authorised rate on the overdrawn balance.

You can overdraw up to an agreed limit at any time but you should not be permanently overdrawn by the whole amount. Overdrafts are repayable on demand.

Overdraft charges

Authorised borrowing:

All our fees for borrowing will be discussed and agreed with you at the time your facilities are set up. They are part of the overall price of borrowing and include, for example:

- the costs involved in agreeing facilities
- the ongoing monitoring of financial information and lending conditions throughout the term of a facility

If we ask you to provide security, a further fee will usually be charged to cover the additional costs. If there are any substantive changes to the basis of your borrowing arrangement during the term of your facility, any associated fees will always be discussed with you at each stage.

Unauthorised borrowing:

The standard interest rate for unauthorised borrowing is charged at 29.5 per cent per annum. If there are insufficient funds in your account when we receive cheques or other debits for payment you will incur an account control fee of £25. This will only be charged when:

- the overdrawn position has not been pre-agreed
- the overdrawn position or any subsequent increase in overdrawn position exceeds £100

Unpaid – out

If we have to return cheques, direct debits or standing orders that you have issued/instructed due to a lack of funds in your account, there will be a further charge of £30 for each item returned on each occasion. This charge will be taken at the time.

Quarterly charging

- Quarterly debit interest and commission charges accrue in March, June, September and December and are debited shortly thereafter
- The quarterly charging dates are available by request
- We will give you approximately 14 days advance notice of the charges to be applied to your account. This advance notification will be by way of a separate 'Statement of Charges' and will include a detailed breakdown. You will therefore be able to check your charges before they are debited to your account
- The 'Statement of Charges' will tell you the date on which the charge is to be made

Gross-up

If you are required by law to deduct tax from charges payable to us, you shall pay us an additional amount (a "gross-up" payment) as is necessary to ensure that the net amount we receive is equal to the full amount we would have received had the charges payable by you not been subject to a tax deduction.

Direct debits

A direct debit is an instruction from a customer to their bank or building society authorising an organisation to collect varying amounts from their account, as long as the customer has been given advance notice of the collection amounts and dates.

Direct debits are used for collecting a variety of regular and occasional bills including utility payments, insurance, council tax, mortgages, loans and subscriptions.

The Direct Debit Scheme protects you and your money by means of the Direct Debit Guarantee.

This Guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme. The efficiency and security of the Scheme is monitored and protected by your own bank or building society. If the amounts to be paid by direct debit or the payment dates change, the organisation collecting the payment will notify you normally 10 working days in advance of your account being debited or as otherwise agreed. If an error is made by the company or your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid. You can cancel a direct debit at any time by writing to your bank or building society. Please also send a copy of your letter to the originator/company.

Further information can be obtained from
www.directdebit.co.uk

Standing orders

With a standing order you make the request for a regular payment, rather than the organisation taking the payment. If you want to amend or cancel your original instruction you can do so at any time by contacting us up to the business day before the payment is due to be taken from your account. Payments made by standing order are subject to a payment limit of £100,000 and will normally arrive the same day providing the recipient's account accepts Faster Payments.

Changes to prices

These prices are variable and we reserve the right to amend them from time to time. We will give you a minimum of two months' written notice of any changes, except for changes where we have agreed to track Base Rate or have specified a shorter period in your Agreement.

Other Barclays services

If you require a service which is not set out in this tariff, we will advise you of the cost at the time of agreeing the service.

We reserve the right to charge for staff time in exceptional circumstances. Any charges relating to staff time will be discussed and agreed prior to us providing the service.

We are committed to helping our clients and understand that at times, you may require additional support. If needed, we can provide this in braille, large print or audio. Please get in touch with your usual Barclays contact or use the details on the 'Contact Us' page of our website if you would like to discuss your circumstances or share feedback.
